RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Notice to File Corrected Application Papers dated October 29, 2001, enclosed is a copy of the Notice to File Corrected Application Papers and a substitute specification.

The only page found to be out of compliance with margin requirements was Scheme 1, which has been corrected. An area on page 5 in the original filed specification that was inadvertently left blank has been deleted, which has changed pagination of the specification and sequence listing. The replacement specification and sequence listing submitted herewith is identical in subject matter to that originally filed and adds no new matter.

It is believed this submission does not require the payment of a fee. If this is incorrect, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,

Sally A. Sullivan
